## 2019-20 FUNDRAISER CHARITIES BEING SUPPORTED

### LOCAL CHARITIES

Through our 2019 Charitable Grant Process, the Rotary Club of Gwinnett County opened a call for proposals from organizations that make an impact on four areas of greatest need within Gwinnett County: food insecurity, homelessness, poverty, and human trafficking. This year, we have selected the following charities who are making a meaningful impact in Gwinnett.

#### FOODFINDER

Gwinnett Hunger Total Coverage Project. Expanding an innovative, online FoodFinder network. Equipping food insecure families with information about free food providers in Gwinnett County. Enabling new partnerships with GCPS, food assistance providers, and community stakeholders to better guide families in need to trusted programs and resources.

#### GOOD SAMARITAN HEALTH CENTER OF GWINNETT

Health Access for the Homeless. Establishing a new health assessment clinic to provide screening and healthcare services at HomeFirst Gwinnett's Homeless Assessment Center.

#### MOSAIC GEORGIA

Crisis Support & Community Capacity Building Project. Expanding training and awareness in Gwinnett about human sex trafficking. Developing a survivor-informed map of resources, service providers, and vested stakeholders working to end sex trafficking and provide healing services to victims in Gwinnett.

### INTERNATIONAL EFFORTS

10% of our net fundraising efforts this year will support Rotary International's effort to eradicate Polio.
